Reg-

Can we put something together? Important to mention that MI is one of 2 states to have a delegated 404 program; that the mine is in MI but the WI tribe is claiming impacts; that OGC is aware of the matter and working with R5 to determine next steps.

Thanks.

Hi there,

This is something that we should include in this week’s report. Would ORC/WD be able to provide a brief write-up by COB tomorrow? Ed has asked for these reports to be pared down a bit, so I have included the revised format below.

~~~~~

Format:

**Headline**  
Key Message: Current status/recent events. [*One sentence.*]

Why is this significant/Brief background. [*Two-three sentences.*]

~~~~~

Please let me know if you have any questions.

Thanks,
